Christmas Wonderland

Gala Ball 2009

Derby County are proud to host their first ever 'Teen Pride' Christmas Wonderland Gala Ball, raising money for the Derbyshire Children's at the Royal Derby Hospital.

Join us for a special themed evening and celebrate Christmas in style with great food, great wine and great company with members of the Derby County first team in attendance.

After dining in style the evening continues with live music to entertain and dance the night away, before your carriage awaits.
